

# Daily Bible Reading Plan

If you follow this plan devised by Fullgrowth Ministries of Tulsa, Oklahoma, you'll read the New Testament through twice and the Old Testament once during the next 12 months.

The plan recommends that you do your reading at a specific quiet time each day. If you miss a day, continue with the current day's reading and catch up when you have extra time. After you finish your day's reading, mark off that day.

The Old Testament portions are presented as nearly as possible in chronological order. Passages from prophets are included in the historical narrative where they were given, they are often given in a single day's reading.

You'll encounter Psalms throughout the year. Frequently, a Psalm that fits a particular passage has been placed with that passage.

As you enter the New Testament, you'll read Luke and Acts first, then the letters - with periodic passages from other Gospels - and, finally, Revelation. Thus, the story of the life of Christ is constantly related to your Christian life.

This daily Bible reading plan has been recreated from a very old copy that was give to me during a Bible study in the fall of 2005. My copy came from a copy machine duplication of an original that is in pretty rough shape. The original is even missing a couple of corners and edges.

Please contact me with any corrections that need to be made if you have a cleaner copy of the original. I am also interested in learning more about the origin of this schedule. The original copy talked about reading the Bible through during the year of 1984 which leads me to believe that it was originally printed late in the year of 1983. The format of the original leads me to believe that it was produced in some printed magazine.

I hope this plan blesses you as much as it has blessed me.
